## WHERE ARE THEY NOW ?

Ben Light

When did you leave Crookhey Hall School ? 2018

What have you been doing since you left ? Level 2 in Health & Social Care at Hopwood Hall (Rochdale) and a Level 3 in Public Services. Event medical and I am now working for a private ambulance service in Yorkshire which is connected to the NHS.

How would you compare college life to school life ? There was more freedom and independence at college, going to college was one of the best decisions I've ever made.

Tell us about your courses and the sort of things you learn ? Health & Social Care gave me all the clinical experience and knowledge I needed and Public Services gave me the non clinical skills and got me ready for work.

Are you happy with the choices you made ? Absolutely

What are your plans for the future ? I've got 2 Emergency Care Assistant courses to complete then I'm going to apply for a degree in paramedics in October.

Do you miss school ? Be honest ! No, that's the brutal answer ! School wasn't a terrible thing but I'm missing college due to the lockdown.

What advice have you got for CHS pupils ? “Keep your head down and get on with your work, as boring as it might be ! Listen to your teachers as they are there to help you”

If you have a son or daughter who attended Crookhey Hall School, we'd love to hear from them !
